We encourage to use e-invoice as the primary invoicing channel when sending invoices to us. Compared to paper invoices, processing e-invoices is faster, cheaper and more reliable.

Apix Messaging Oy (003723327487)	003728968363	003728968363

Please note that when sending e-invoices from **Handelsbanken or Paikallisosuuspankit** you must send e-invoices to following address: e-invoice address: 003723327487 and operator code: DABAFIHH.

If you are not able to send e-invoices, we ask you to send invoices to the purchase invoice scanning service.

Address for email scanning:

003728968363@procounor.apix.fi	The actual invoice must be in the email as a PDF attachment. One email must only contain one invoice / attachment. Maximum file size for email attachments is 2 MB. After the email is processed service will produce an automated acceptance or error reply email within 15 minutes.

The address for paper invoices:

Bou Oy (Apix scanning service)

To enable the scanning service to recognise your invoice, the invoice address is to be printed on the actual invoice, not only on the envelope. Please note that no other material than invoices is allowed to be sent to this address.
